YOUR SCHOOL'S REGISTERED TIME AT THE EXPO _____

THESE ARE THE MAIN IDOE STANDARDS THAT WILL BE COVERED DURING THE YOUTH HEALTHCARE CAREER EXPO.

Standard 3: Students will demonstrate the ability to access valid information, products and services to enhance health.

Accessing valid health information and health-enhancing products and services is critical in the prevention, early detection and treatment of health problems. This standard focuses on how to identify and access valid health resources and to reject unproven sources. Applying the skills of analysis, comparison, and evaluation of health resources empowers students to achieve health literacy. Students access valid health information, health-enhancing products, and services to prevent, detect, and treat health problems.

Grades 3-5	Grades 6-8	Grades 9-12
5.3.2 Locate resources from home, school, and community that provide valid health information.	8.3.2 Access valid health information from home, school, and community.	12.3.2 Use resources from home, school, and community that provide valid health information for making personal health decisions.

Standard 4: Students will demonstrate the ability to use interpersonal communication skills to enhance health and avoid or reduce health risks.

Effective communication enhances personal, family, and community health. This standard focuses on how healthy individuals use verbal and nonverbal skills to develop and maintain quality personal relationships. The ability to organize and to convey information and feelings is the basis for strengthening interpersonal interactions and reducing or avoiding conflict. Students demonstrate refusal, negotiation, and collaboration skills to enhance health and avoid or reduce health risks.

Grades 3-5	Grades 6-8	Grades 9-12
5.4.2 Demonstrate the ability to actively listen to enhance health.	8.4.2 Demonstrate active listening and response skills to enhance health.	12.4.2 Employ active listening and response skills to enhance health.

HOW TO PREPARE STUDENTS

Thank you for bringing your students to the VicTory 4 Kidz Youth Healthcare Career Expo. We appreciate your work in helping students develop their career aspirations.

The Expo is huge and can be overwhelming to students who aren't prepared. Please review this information with your students. The more prepared students are, the more they gain from their Expo experience!

STUDENT ATTIRE

- Students must dress properly for the Expo. Crop-top, shorts, caps, flip-flops, and t-shirts with inappropriate graphics are prohibited.
- Students must wear shoes in order to participate on hands-on activities.
- High school students who desire to participate in a mock interview will dress to dress "business casual" attire.

STUDENT BEHAVIOR

- Students should display professional behavior toward Expo Exhibitors
- Students are representing their schools at all times.
- Encourage students to thank the Exhibitors for their time and information.

WHAT TO DO IN THE EXPO?

- Career Exploration:** Explore healthcare careers through visiting exhibitors' booths. There are over twenty booths available at the expo that will share information about their field.
- Simulation Activities:** Participate in simulation activities. There are over twenty-five simulations at the expo.
- Mentoring Transition Exhibitor:** Participate in discussions with exhibitors about ways to expand your horizons.
- Mock Interview (High School):** Participate in the interview without pressure and receive tips and feedback on their resume and communication skills.
